

Enhance your lifestyle at Affinity with MyAffinity Trivia. Match wits against your friends and neighbors in a live quiz competition right from your smartphone.

Trivia

MyAffinity Trivia is a live, hosted quiz game, played from the MyAffinity app and available to all residents at your community. Games will be announced in MyAffinity and will also be posted on the MyAffinity community events calendar.

To play, simply open the MyAffinity app at the time the game is scheduled:

- To play games, press the **Games** button on the home screen.
- Press **MyAffinity Trivia**.
- Press the button for the current game to join and play.
- You will see a live, streaming video of the host for the current game. If the game has not yet begun, there will be a graphic displayed until the host starts the game.
- Each question in the quiz will be displayed on your smartphone along with multiple-choice answers. Press the button to select your answer. You can change your answer by pressing a different button, until the host ends the question.
- When the host ends the current question, the answer will be displayed. If you were correct, your answer will be shown in green. If you were incorrect, your answer will appear in red and the correct answer will be shown in green.
- You can press **Leaderboard** to see your point total in the game, as well as how you are comparing with other players.

Starting the game late or had to take a few minutes away from it? No problem. You can join a game in progress or re-join it while it's still going. You may miss a question or two, but you can still be part of the fun!
