

Stay in contact with your family members while they enjoy their life at Affinity. The MyAffinity Family App allows you to have peace of mind and see that your Affinity family member is engaged with their community.

Why MyAffinity?

When Affinity was founded, creating a vibrant community for adults was always the focus. In addition to being a great place to live, residents can also build lifelong friendships, explore their hobbies, and be connected with the people around them. Affinity offers a unique lifestyle, allowing your loved ones new opportunities to enhance their lives every single day.

MyAffinity brings those opportunities to life, making it easy for your family members to be a part of the Affinity community. With the app, they will be able to get engaged with the events, activities, services, and people that will enrich their Affinity lifestyle.

Community

The first step to feeling part of a community is being aware of everything that is happening. MyAffinity is a convenient, easy-to-use way to stay in the know.

- MyAffinity provides a **Community Calendar** so residents can keep track of the exciting events happening in their community.
- They will also receive **Affinity Announcements** right in the app, to keep them in the loop on important news and events.

Connection and Communication

MyAffinity makes it easy for your family members to meet new friends and stay in touch with their neighbors at Affinity.

- **Community Discussions** allow your loved ones to talk with other residents about the things that interest them, ask questions, or start conversations and share what excites them with their neighbors. They might find their new best friend or their next favorite hobby.
- Once they have connected with their neighbors they will be able to message with them at any time and any place with **Chat**.
- They will even be able to message Affinity staff members or submit maintenance requests, in an easy interface right in the app.

Wellness

MyAffinity provides great resources to help your family members live a healthy lifestyle.

- They will be able to access video **Fitness Classes** right from the app.
- **Healthy Recipes** for tasty meals are a snap to find using MyAffinity.
- Your family members will be able to participate in **Community Fitness Challenges**, to make keeping fit an activity they can share with their neighbors.

Convenience and Entertainment

It is always easier to lead a fulfilling life if the things you want and need are easier to find. MyAffinity introduces residents to several apps and services to make their lives convenient and fun, all hand-picked for Affinity residents.

- **Meal and Grocery Delivery**
- **Transportation and Ridesharing**
- **Streaming Entertainment and Games**

Recommendations

In addition to being able to access great streaming video services from the MyAffinity app, residents can find hand-picked recommendations for great movies and television shows being featured on the various services. You'll be able to see the same recommendations in the MyAffinity Family app so that you can enjoy the same great entertainment as your loved ones. Just press the **Entertainment** button and then press **Recommendations**.

The MyAffinity Tech Concierge

The MyAffinity Tech Concierge is a dedicated team who is available to assist residents and family members with MyAffinity. If you or your family living at Affinity need assistance with the MyAffinity app, press the phone icon in the bottom right corner that says **Support**. You can also call MyAffinity Support directly at (888) 808-0791. Our support team is available Monday - Friday: 8am - 5pm PST.
