

Walgreens

What is Walgreens?

Walgreens is a pharmacy and small department store with health and wellness products, photo products and even limited grocery items. They offer online shopping with pick-up and delivery options for products and prescriptions.

Sign Up

- #1** - In your web browser, go to wlgreens.com. You can also sign up and manage your account on the Walgreens app.
- #2** - Shop the site for what you would like.
- #3** - Add items to your cart.
- #4** - Select pickup or delivery.
- #5** - Enter your information needed to place your order.
- #6** - Enjoy!

Walgreens Discounts

Walgreens offers discounts and coupons that you can manage in the Walgreens app. They also accept manufacturer's coupons for online orders.
